—Mr. V. S. Jones, an old Confederate Veteran, died on last Saturday, the 17th instant, at his home near Pumpkintown. He was born on the 13th of May 1822, and for 45 years was a consecrated member of the Oolenoy Baptist church, at which place his remains were laid to rest on the day following his death, a large concourse of sorrowing relatives and friends witnessing the obsequies. For four years he and one of his sons served in the same company in the war. Mr. Jones leaves a wife who is 83 years old, and eight sons and a daughter, besides a host of relatives and friends to mourn his death.

—The school entertainment at the academy last Friday night was a great success. We are afraid to specialize for all acted their parts so well it would be exceedingly hard to say who was best. Special mention may be made of Dr. Bolt as a Country Rube, Jeff Garvin as a German, Miss Irwin as an Irish maid and Miss Hutchison as an old lady. Then, on the other hand, we must say that W. J. Bolt, Joe Johnson, Bruce Boggs, Wyatt Jennings and the Misses Taylor, Cogburn, Irwin, Mrs. Swittenburg—in fact every one connected with the play—acted their parts to perfection. The entertainment was good and it showed that there is quite a lot of histrionic talent going to waste in this town. We would suggest to these young people that they form a Dramatic Club and regale the people of Pickens and vicinity with periodical entertainments. They could give a better evening's entertainment than most of the lyceum courses.

# CATEECHEE NEWS.

As this (Monday) is one of the most lovely mornings it was ever our pleasure to enjoy and while seated in the shade enjoying a salubrious breeze, we will pencil a few scattering thoughts to that dear old home paper, the Sentinel-Journal.

At the outset we wish to say while there are scores of larger papers and papers that contain more news in general than the S.-J., yet there are none in circulation that are as near and dear to my heart as the dear old Pickens Sentinel. It was that paper that the writer first ever read a line of print in and Maj. D. F. Bradley, now of Easley, S. C., was then its editor. It was through the good advice of that Christian gentleman that the writer is able to pencil these thoughts today. When quite young and before it was ever our opportunity to enter a school room Major Bradley gave us advice as to the need of an education and it so impressed us that when we had an opportunity (what few we did have) we made use of every minute. We now see the importance of good advice when properly taken and right here we want to thank Maj. Bradley and if it be that it is the Lord's will to spare our life longer than his we want to bow in humble submission at his grave and drop a tear for the love and affection that we have for him.

Boys, always take good advice from one who is capable to give it. There is no telling as to its importance in the future.

May the Sentinel-Journal live to see its brightest and happiest days yet to come is our prayer.

It was our pleasure to take a day's drive in the country last Friday and were surprised to see how much progress had been made by the farmers in the past two weeks. If the weather continues favorable for a short time farmers will soon be through planting and nothing to do until the corn and cotton gets up large enough to work.

In our rounds we stopped at Mr. W. C. Garrett's a few minutes. Mr. Garrett is doing a general merchandise business at the I. D. Rice stand at Six Mile and tells us he is getting a good trade. He finished planting his crop last Thursday. Wad farms and Mrs. G. attends to the store. Wad is too work-brittle to stand behind the counter all the time. He was raised to work and we believe from the way he goes at it that he likes it.

Mr. Whit Garrett has just got completed for himself at Six Mile as good a house as there is in the up-country.

Six Mile continues to improve and at some future date will be a good big town yet.

We also stopped with Mr. M. B. Evans a while. He owns 237 acres of land on the road leading from Six Mile to Gap Hill church and has built for himself a nice residence in an ideal place and from all appearances he is doing well. Mr. Evans has leased all of his land except about 15 acres and is kindly taking a rest in his latter days.

We next passed by where Old Riddle lives and while we did not get to see her judging from the way everything looked there abouts she sure has been at work this spring. Boys, if you don't like to work, you had better never want to marry Old Riddle for she sure does work and every body around her has to do the same thing if they stay there.

Just ask Old Riddle how she enjoyed the singing at Six Mile, or rather ask her if she sang any that evening.

Mr. R. T. Hallum, of Pickens, passed through Cateechee yesterday.

Miss Angie Duncan, of Seneca, was at Cateechee last Saturday, representing Mrs. Cochran's millinery parlors. She did a good business.

Mr. Charlie Hendricks and his best girl were in Cateechee last Sunday. J. Alonzo Brown says he never likes to refuse to marry a couple but if Charlie comes before him with that girl he will have to refuse for he wants her himself.

Mr. Joe Johnson and his girl

looked awfully good Sunday.

Mr. Thomas Whiten was called to Belton, Ga., one day last week, as a relief operator.

Married at Cateechee, on last Monday morning, the 19th inst., at the residence of Mr. Lee Dickson, Mr. Norman Walls to Miss Bertie Rowland, J. A. Brown, N. P., officiating. The happy young couple boarded train No. 39 at once and went south to spend the honeymoon. The many friends of the happy couple extend congratulations.

Mr. W. W. Brown of Pickens, visited his uncle, J. A. Brown, of Cateechee, last week. B.

## Liberty News.

Liberty, S. C. April 19, 1909.

The Lecture at the Presbyterian church last night was well attended and very interesting and instructive. Mr. Bryan, is a Persian, now a student at the seminary, at Columbia, studying for the ministry, and when he graduates he intends to return and preach the gospel to the Persians, where as yet it seems very few missionaries have went.

From his description of the country, with dry summers, beautiful flowers, and grand scenery, walled cities, and all farming done with aid of irrigation. Any of our male population who have a special ambition to rule his household supreme and especially his spouse, might be able to more fully gratify his ambition by going to Persia, and joining the Mahomedans, and then he kick and cuff his wife around to his heart's content, and can't be sassed back, and he would not be bothered every change of the moon, for his wife or daughter a new hat as the women never wear hats or disgraces herself talking to men, as she doesn't go out shopping or even to the Post Office, but is to all intents and purposes a slave, of the lowest order, with no rights of her own, only just a slave for life.

So much for the Mahomedan religion by which Persia is ruled. The Mahomedan, Bible, is made up without love or the divinity of Christ, so to be a Mahomedan, and not stand in with the priest, is to be in very hard luck it appears. All Bible readers will readily call to mind the great city, of Nineva, and Jonah, being commanded to go to preach, and how he tried to escape the work and was swallowed by a great fish, and after his tussle with the fish, he went and preached to Nineva etc. From the New Testament, it seems the gospel was preached to the Persians. If so how is it we find the Mahomedans, at this date? who can tell? and again if they have let the gospel get away from them are we not liable to the same experience judging from the tendencies of the times in these U. S. from a religious standpoint? Who can say.

Capt. Pringle, gave a very instructive and interesting illustrated lecture at the school auditorium the night of the 16th, showing some of the wonderful rescues of children and many others from the slums, and cesspools of crime and filth and put them on their feet, enabling them to make good citizens. It is not their purpose to aid or encourage idleness but all must work and they will furnish work if that is all that is lacking.

Old Father Time, has called in another Old Veteran. M. T. (Blue Tom) Smith, died at his home in Liberty this morning, April 16th, of pneumonia, after nine days of serious illness; he was 65 years of age, and leaves a wife and three children, and two aged sisters to mourn his death, besides a host of relatives and friends. The interment took place at the Liberty Cemetery, Sunday, the 18th.

Burial Service was conducted by Rev. — Henry, of Easley, in presence of a large concourse of relatives and friends. The pall bearers, were all old soldiers, and most of them were with him in the war. He was born and raised two miles east of Liberty. His father, was Squire Billy Smith, who lived at the old home place, until a few years ago he moved here.

When the war broke out he

volunteered for one year, in April, 1861, and afterwards enlisted for three years, with the Palmetto Sharpshooters, Cap — Garvins Co., and was elected 1st. Lieutenant in 1862, was a brave and efficient officer, and was seriously wounded in the head, from which he suffered more or less ever since, especially in hot weather.

Another old soldier, widely and favorably known in this section, Mr. B. F. Mullikin, of the Slabtown section, died at his home on the 16th inst., after a lingering illness of several months, and his remains were laid to rest at the family burying ground near his home on the 17th with Masonic honors, a large concourse of relatives and friends attending the funeral. He, too, served gallantly through the war.

Died here on the night of the 11th, after a serious and lingering illness of several weeks, a little son of M. L. Sullivan, formerly of Anderson, but now a resident and merchant of this place. The interment was had at the Liberty cemetery the day following, and the burial service was conducted by Revs. J. C. Bailey and P. F. Crawford. The bereaved parents have the sympathy of many friends in their hour of sorrow. C.

## Pickens, R F D 4

Mr. Editor: I will try and give you a few dots from this section.

The health of the people in this vicinity in general is very good at present.

The Sunday School at Oolenoy is running along nicely since the new Professor has taken charge of the singing class.

Mr. V. S. Jones, an old Confederate soldier left this world of sorrow when he breathed his last on Saturday the 17th inst., at about twelve o'clock. You all know that the Lord has fixed an ample time for a man to live which is three score and ten (70) years, but this man had lived over that time. He was over eighty-odd years old and was a true and faithful christian who loved the work of the Lord. He is no more; he has passed over the river of Life and gone to his long eternal home. It is a journey we must all take, so let us be ready and follow him. His remains were laid to rest in the Oolenoy cemetery on last Sunday a large concourse of sorrowing friends witnessing the last sad rites.

Hurrah for the old SENTINEL-JOURNAL. Long may she wave and gladden our homes with her weekly visits. Correspondents, all of you write more frequently and let us all help the editor to make our paper brighter and better. PLOW BOY.

## Rev. O. J. Copeland Called.

The Anderson Daily Mail, of the 17th instant says: Rev. O. J. Copeland, pastor of the First Baptist church of Gainesville, Ga., and formerly of this city, has been called to the pastorate of the First Baptist church of Asheville, N. C. It is not yet known whether Rev. Copeland will accept the call or not.

## Death of An Infant.

The Anderson Daily Mail, of 17th instant says: After an illness of four weeks the little son of Mr and Mrs. M. L. Sullivan, of Liberty, passed away Monday night at 12:30 o'clock. He was 12 months old and bore his sufferings with patience and death was like the going out of a candle. Interment took place Tuesday afternoon at 3 o'clock in Liberty cemetery. It was attended by a number of friends and relatives. Their friends extend their heartfelt sympathy to the bereaved parents.
